Term 4

Hello families,

Welcome to another term. This term the children are enjoying playing with the dolls, taking care of them, and pretending to feed them. We are focusing on enhancing our independence skills, so this has been a great way to start.

We have welcomed Grace into the caterpillar room, she has settled in wonderfully building relationships with peers and educators.

We are encouraging the children to begin to dress themselves with their educator's assistance.

This term we celebrated world space week, we created our own spaceship and along with some planets and stars. For children's week we will be providing the children with lots of sensory activities, arts and crafts, music and movement celebrating them and providing fun activities.

### Reminders:

•As the weather is warming up, we will be engaging in lots of messy and water play, please ensure your child have spares clothes.

•Appropriate footwear to be worn to protect your child's little toes.

I can't believe the end of the year is approaching, we would like to have opportunity to thank all the families in the caterpillar room for entrusting myself and Ling with taking care and watching your child grow into cool little people. Have a great Christmas and a Happy New Year!

Enjoy your break and we will see you in 2025 😊
